

Elect Republican **Bill** **JOHNS** for FARRAGUT MAYOR

Town of Farragut elections are non-partisan / Election Day is Thursday, August 4th / Early Voting is July 15th – 30th

“Let’s Make Farragut Friendly Again!”
Proven conservative Bill Johns will:

Daniel Herrera (Chairman, Knox County GOP), Bill Johns, and Gary Loe, (Chairman, Tennessee Conservative Union). Herrera and Loe both fully endorse Conservative Bill Johns for Farragut Mayor!

- 1** Put citizens first in everything Farragut does,
- 2** Control Farragut’s growth to match its infrastructure and services,
- 3** Build trust and confidence through transparency and ethics,
- 4** Address traffic by bringing all parties to the table to tackle its root causes, and
- 5** Create an emergency preparedness plan and culture for the Town.

INNOVATIVE LEADERSHIP

One of the most innovative ways to achieve community planning success is to visit peer communities and build relationships. This CANNOT be accomplished by staying in a “bubble” or hitting “Google”. Under Bill’s leadership, every BOMA and MPC member will have the opportunity to visit great communities, see best practices, and attend relevant professional seminars. By raising this bar, Farragut will become laser-focused in developing a strategy for a vibrant, upscale, and visually appealing community. *If Bill’s daughter Leilani can learn from peer communities, so can others!*

WHAT TOWN CENTER?

IF ONLY the entire BOMA & MPC would have invested in site visits to other peer town centers, THEN there would NOT have been a bait and switch*. An Aldi, a strip mall with faux facades, and tons of apartments (“urbanization vision”) is NOT a town center!

Biltmore Park Town Square
(2.15 hours from TOF Town Hall)

Suwanee Town Center
(3.15 hours from TOF Town Hall)

***Merriam-Webster, “Bait and Switch” (noun) :**
the ploy of offering a person something desirable to gain favor (such as political support) then thwarting expectations with something less desirable.
